

Saddles table

Fast and safe defating

In pacing mode, the saddles table holds loins in place while operators remove the fat with a loin knife or wizard knife.

Hygiene

As with all Frontmatec equipment, you can expect robustness and reliability, while complying with the highest regulations regarding sanitation and food safety.

Options

- Easy self-cleaning with spray bars
- The speed is adjustable to match primal cutting pace
- The reliability and heavy duty design prevents down time

Safety and legal requirements

The saddles table is CE approved and designed in accordance with the EU and USDA regulations to meet the strictest demand on health and safety.

Why the saddles table!

- Faster and easier trimming
- High reliability, less down-time
- Ergonomical position for operators
- Designed for easy sanitation
